Drive It – Wear It – Brandit

Our ambition is to produce products for people who love to be outside and outdoor. Urban Outdoor – from mountain to urban. From street to trail. From asphalt to narrow path.

Durable quality and timeless design characterize our products as well as a stable core assortment.

For us, it is of great importance that our products work properly and come up to the requirements of our customers. That is why we test our products ourselves during daily use and on our journeys and trips.

We don't do fashion and we don't do fashion trends.
We do apparel for individual people!
